

2019 ACOS General Surgery In-Depth Review Seminar

April 10-13 | Des Moines, IA

2019

IN-DEPTH REVIEW

OVERVIEW AND OBJECTIVES

The Program Chairs for the American College of Osteopathic Surgeons' (ACOS) 2019 General Surgery In-depth Review Seminar (IDR) – Marc A. Campbell, DO, FACOS, and Benjamin A. Raymond, DO, along with the support of the ACOS In-depth Review Committee have developed a first-rate board exam review course. The IDR has been designed to provide attending surgeons with a comprehensive educational review on the presented topics. Participants in this course will find it a helpful experience in preparing for certification or recertification examinations.*

The 2019 IDR will open on the afternoon of Wednesday, April 10, with an optional mock oral board session. This interactive workshop is intended to assist physicians preparing to take their Oral Board Exams. Our panel of presenters will discuss the purpose, focus and format of the exam as well as what examiners are looking for. The panel session will be followed by an opportunity for participants to hone their skills by participating in mock oral board examinations.

On Thursday, April 11, the IDR curriculum will shift to focus on a deep-dive into the topics covered in the American Osteopathic Board of Surgery (AOBS) General Surgery OCC Written Examination. The intent of this course is to be a thorough review of the examination topics as well as an update for the general surgeon in practice.

Learning objectives for the 2019 IDR include:

- Applying knowledge gained as a helpful experience in preparing for board certification or recertification examinations.
- Learning the indications, techniques, complications, and outcomes presented of various surgical procedures.
- Being able to implement knowledge learned into their surgical practice in order to improve patient care.

** ACOS does not guarantee results on any certification or recertification exams.*

2019

IN-DEPTH REVIEW

PROGRAM CHAIRS

Marc A. Campbell, DO, FACOS

Benjamin A. Raymond, DO

COMMITTEE MEMBERS

- Nelayda Fonte, DO, FACOS | Chair & Board Liaison
- Hania B. Bednarski, DO, FACOS
- Marc A. Campbell, DO, FACOS
- Kristen J. Conrad-Schnetz, DO, FACOS
- Alice A. Higdon, DO
- Jesse J. Lopez, Jr., DO
- Janie L. Orrington-Myers, DO, FACOS, FACS
- Marylou Rainone, DO, FACOS
- Benjamin A. Raymond, DO
- Annika C. Storey, DO
- Dominic Storto, DO, FACOS
- Jennifer E. Susoreny-Velgos, DO

AOA CME REQUIREMENTS

The American College of Osteopathic Surgeons (ACOS) is accredited by the American Osteopathic Association (AOA) to provide osteopathic continuing medical education for physicians. Eligible attending physicians can earn American Osteopathic Association continuing medical education (CME) credit by participating in the educational programs and activities at the 2019 In-depth Review Seminar. ACOS estimates that the AOA Council on Continuing Medical Education will approve this program for a maximum of 26 AOA Category 1-A CME credit hours.

In accordance with the AOA CME accreditation requirements, the attendee must complete an evaluation of each session attended as well as an overall event evaluation in order to receive AOA CME credit. Physicians should only claim credit commensurate with the extent of their participation in the educational activity. Information on how participants can claim their CME hours will be provided to eligible attendees. After the program evaluation has been completed, a CME certificate can be printed by the registrant. ACOS will report CME credits equal to the extent of the physician's participation in this activity.

QUESTIONS AND CONCERNS REGARDING CME

Any questions or concerns regarding the CME requirements, credits earned for this meeting, or problems such as facilities, handouts, and program content may be directed to the ACOS staff by calling (800) 888-1312. Unresolved issues regarding the compliance of this meeting with the AOA accreditation requirements may be brought to the attention of the AOA Division of CME by calling (888) 626-9262. Any formal action by the AOA will require a written communication from you.

SPEAKER DISCLOSURE STATEMENT

In accordance with the AOA Standards of Accreditation; and ACCME Essential Criteria and Policies and Standards for Commercial Support; and AMA PRA Category 1 Guidelines, speakers with an asterisk (*) following their name have indicated that they have a relationship which in the context of their presentation, could be perceived by some as real or apparent conflict of interest (e.g., ownership of stock, speaker honoraria, consulting fees, etc.) but do not consider it will influence their presentation.

DISCLOSURE OF UNLABELED USE

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

DISCLAIMER

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

PLANNERS AND MANAGERS

ACOS planners and managers, Stephanie Santini, CMP, and Natasha Moussavi have nothing to disclose.

APRIL 10

WEDNESDAY

Events are held in Cedar Rapids and Council Bluffs unless otherwise noted.

1:00pm - 2:00pm
